HOT PUSSIES AND LONG TONGUES

I'm the cute little girl next door that's grown up to be one hot babe next door. I like what my body has matured into, the perfect mix of boobs and butt. I'm comfortable with nudity and sometimes I forget to close the bedroom curtains, so I think I've given the couple who live next door a thrill or three. But today, I want to take two cocks and see what I can do with them

Hello Caprice,

I love living in America and now living in Las Angeles. The weather, the traffic (yes, I kinda like the traffic), and the boys. There were a lot of cute boys in my high school, but when I went to college, the number increased a lot.

I have my pick of them, and being a true nympho, they're beating a

MELTING HER RESISTANCE

Liz and I had known each other for only a short time, and I felt an intense attraction to her. One day she told me she wanted me. But when I told her I felt the same way, she backed away. I knew I could find a way to seduce her. It was just a matter of time.

Yes, we both had girlfriends. Yes, we both lived miles apart in different towns, but the connection between us bridged all these insurmountable gaps. This bridge was our desire. We both wanted each other intensely. Even though she told me she would not have sex with me and wanted only friendship, I sensed her ambivalence. I wanted to melt her resistance.

One day, when she was at her office, I showed up around quitting time with flowers and chocolate, wearing my best clothes and my brightest smile. I knew she would be alone. She was putting some things away in a filing cabinet when I walked in.

I went up to her and waited.

"What are you doing here, Jen?" she asked, surprised to see me. "I told you I won't have an affair with you. We'll both regret it and anyway...."

My mouth went down on hers, and before long we were kissing on the floor and stripping one another. I thought I would faint from want.

The flowers and chocolates had spilled on the floor.

In no time we were naked, licking and caressing each other's hot, flaming body. Naked, she was even more beautiful than I had imagined her to be. Her body was white

like alabaster and soft as her warm heart. I licked my way down her lovely skin, across her ribs and tight abs all the way to her pubic hair, which shone with her fresh juices.

Liz was like a wild animal, making bites and hickeys all over me. Her nails made long scratches along my back and arms. I immediately turned my body around so that we could 69 together. She was more than willing to bear down on my greased pussy.

"Oh, Jen, Oh, Jen! I want you so much, baby. Yes, do me, sweet one. Do me!"

"Come for me," I panted. "Over and over again."

With those words, we both bore down on each other's pussy. Her mouth went to work on me like no one's ever had before. Her tongue flicked back and forth on my clit as I pushed hard into her mouth. I grunted and thrust into her as her tongue became rougher and rougher against my aching clit.

She sucked me into her wet mouth, and her tongue slipped into my slit. In the meantime, my tongue hitched onto her clit, and I inserted two fingers into her slit. I fingerfucked her while she tongue-fucked me. We each went at it with a faster and faster pace until we both were on the verge of coming.

Then, with a burst of lust, my clit exploded. I felt the reverberations through my entire body, up my spine and to my toes. My body shook and rocked to the beat of those magnificent sensations. I fingerfucked her even harder as my climax came and went and then came all over again.

Finally, I sucked her clit until she was exploding right along with me. We both jerked back and forth and groaned until we had no strength left in us. But only moments

your cock makes my mouth water!

later we were at it again. It was like we were chained to our lust.

The two of us sneaked around for a while, then decided to leave our girlfriends for one another. We've been together, hotter than ever, since then.

Jen, New Jersey

VOLUMES OF PLEASURE

Sure, I had gone through a lot of jobs. Sure, I had a problem. I love sex with sexy girls. I love to take risks to be with them. So I thought, hell, I'll get a job in a bookstore. How hot could the girls there be anyway?

Big mistake. I mean, for a week no one turned me on, but then this adorable girl walked in.

I tried to distract myself by straightening up the shelves. But instead I drifted to the erotica shelves, and so did she. Unfortunately, that voluptuous blonde was even sexier up close than she was from afar. When I looked to the side, I saw Anais Nin staring at me from the dust jacket of a book. When I looked the other way, I saw her. I had nowhere to go.

So I smiled at her. She smiled back. The rest was inevitable.

There was always the possibility that someone would walk in on us. But that turned me on even more. Before long we were chatting, and I was flirting, putting my hand on her bare upper arm. Dana was responding, moving closer to me. I could smell her scented body. It made me dizzy with lust.

Before long I was easing her into the storeroom and kissing her against the shelves. It was dark in there, and I kept track of her through her heavenly scent

and the warmth of her skin. Each wet kiss brought more intense feelings of want.

Before long, I was stripping her, tearing off her shirt, and she was begging me to never stop. "Oh, yes, baby, I want you," she whimpered while I unhooked her silky bra. Pushing her against the wall, I groped her lovely tits, pinching her nipples between my hungry fingers. She whimpered again with desire.

I became bolder, latching my dry mouth onto her stiff nipples. She moved her torso into my face. I sucked her harder. Her head banged from side to side against the bookshelves. I prayed no one would hear, but at the same time I knew I wouldn't be able to stop even if they did.

I undid her pants and went to my knees, pulling them down with me. Then slowly and methodically I ripped off her panties. They were wet and sticky in my hands. I put them in my mouth and sucked on them as she watched for a brief moment. Then I threw them to the ground and ground my mouth into her wet pubes.

Her hairs felt scratchy on my soft cheek as I rubbed my face in them, tantalizing my skin. I gripped her luscious ass-cheeks while my face dripped with her cream. Again this

path to my pussy. And I welcome them in as often as I can.

I like all types because they all bring something new to the bedroom. One group I haven't done yet, but I'm really anxious to, are some nerdy guys. If they're out there looking for a cute nympho, find me on driving around the clogged streets of LA.

— Love, Caprice

Dear Editor,

I've been following you online and find you to be extremely fuckable. I say that in a good

woman moaned, but her moans were getting louder, increasing the chances of us getting caught. This made me even hornier.

I got my mouth on her clit. It swelled in my mouth. I sucked on it more. She mashed her pelvis into my face while I kept sucking on her clit and rolling it back and forth against the cheeks of my mouth. She tasted like warm honey and horny woman. My tongue licked her growing bud until she was writhing and moaning.

Then slowly I moved my tongue to her slit and slipped it inside. She growled and flung her body against my sweaty face. I got my tongue very deep inside her and flicked

cranny of hers as she moaned and rocked in my grip. Then finally she started to cum like

gangbusters, gritting her teeth, flailing her hair, and slashing her body back and forth against my face. I tongue-fucked her harder until she let out a wail and froze against me. Then she bucked and swayed, grabbing my head harshly. Finally her knees went, and she sank to the floor alongside me.

Before long we were interrupted by my boss. But the job didn't mean as much to me as the wonderful fucking—and the better position I'd just gotten elsewhere.

Janna, Vermont

it back and forth through her every bit of flesh. Her cream oozed onto my hot tongue, and I savored her creamy taste slowly, with renewed thrusts.

My tongue searched every nook and

way because there are women online that I wouldn't allow anywhere near my cock. But you are something different. You seem to like what you do, and I like what you do. I try to imagine be in the scene with you but that is hard, especially when I hear you screaming when you climax.

— Harry, Dallas

I got me an cell phone for my birthday, and right away I started taking nude selfies and making home videos. That progressed to shooting my sex life, and that progressed to putting it up on the web. I was never a techie, but now I think I've turned into a bit of a nerd. But I think I may have gone too far and maybe a little over my head. So now I gotta keep making more movies to post online. There's almost nothing like the feeling of a warm vibration inside my ass. It's really too bad that guy's cocks don't vibrate. Imagine what that would be like, real live flesh and vibrations, too. I think we women would get off in a New York minute. In the meantime, this will have to do, and I don't mind. Do you?

the ritual

**It had started
as girl
talk. That
was what it
had started
as, but oh,
what it led
into!**

Someone was knocking at the back door. It was her. Her. I knew it. She came every Saturday afternoon at 2:00, when her husband went to play tennis with his buddies. She came for coffee—coffee and girl talk. I looked forward to it every week with great anticipation. The operative word in that sentence is “great.”

Sasha was different from my other friends. Although English-speaking, she was a foreigner. I loved to just sit and listen to her Australian dialect. She was a writer, like myself, and I shared that bond with no one else around this small Southern town. Sometimes we read our secret erotic stories out loud to each other. She laughed at my lazy plantation drawl and called it “cute.” Once she accidentally said “sexy.” (That’s when I felt the first drops of dew ooze from my aching abdomen.)

That particular day, I had a new story. I wanted her to read it, but I was afraid. It was called “In the Sand,” and there was a sex scene in it between

two women, one married and Australian, the other single and American. I didn’t know how she’d take it, especially when she realized the one character was her. It was so obviously us. And in the story we were playing more than “kissing games” on the beach. Much, much more.

We drank our coffee as usual, but she was very giddy (I loved it when she was playful), so we decided to make frozen drinks. We put lemonade and vodka with ice in a blender. In the past, things had gotten a little intimate on those lemonade days.

Once we decided to just lie on my bed and talk; we talked about the various types of female orgasms. I have never been so open about sex with another girl. My other friends got so closed and uptight about the topic. We talked about masturbation, oral sex, and vibrators—all kinds of sensual things. I hated to admit it, but the humidity in my lower region was worse than the moisture in our southern cli-

mate during these intimate chats.

The previous Saturday, I had done her makeup and hair for her. Sasha's eyes were a bright green, and her hair was thick, short, and jet black. It felt good to be that physically near her. I even put on her lipstick—a dark red, which looked stunning against her pale porcelain skin. It was sexual and very seductive. I wondered if she felt the heat, the wanting, and the need. Was she throbbing and wet like me?

That particular day, after two special lemonades, I got the courage to read her the island story. I was a little drunk because I hadn't eaten lunch, but it helped ease my fears.

"Ami, read it! I just want to lie down and listen to your lovely voice," she exclaimed. Sasha was seductively sprawled on my couch, with one plump breast peeking through her sheer, lavender cotton blouse. I couldn't help but stare at it and wonder if it would become hard in my mouth. If I had the chance, I would run my tongue in little circles around her nipples until they stood erect through the cloth.

"Okay." I read the whole thing straight through, and never looked up. She was very silent on the couch. After I finish the frenzied reading, I looked up at her. She had a tear running down her face. I was touched, both emotionally and physically. My cunt ached for her, her soft touch, her full mouth, and her own hungry cunt.

"Wow, that was beautiful. Very sexy, Ami," she said. I noticed her hands were brushing against her own breasts. It was becoming more and more obvious that she was thinking the same thoughts as I was.

ed, and yet at the same time I wanted to devour her, dig into her fragrant garden with my face, and explore her fleshy folds with every ounce of energy and passion in my body.

"No, really. You used our names. Ami and Sasha. Any particular

reason?" Her sparkling eyes looked at me in a soft haze. She was unbelievably calm. Why shouldn't she be? She was simply asking a question. But I noticed her hand had made its way right between her thighs.

"Yes." I had to be honest.

Folding the papers, I got up to walk out of the room. "Maybe I should just go get another drink. This is way too awkward," I mumbled under heated breath.

"Ami," she called. Her voice had a beckoning tone to it; it lured me back to the heat of her passion and desire. I looked at her. "Come here."

I went to her and tentatively sat at the end of the couch.

"Don't be afraid."

I remained still and silent. A pin drop would have sounded like a nuclear explosion.

Sasha leaned over and tenderly kissed me. A real kiss. A kiss that was long, slow, and lingering.

Without missing a beat, we began to kiss passionately. I had never kissed a girl before. Her lips were so soft, hot, and moist. We slowly and carefully touched each other. That lovely hair smelled like apples and freshness. She

ran her hands through my long, curly tresses.

We lay down on the couch, and Sasha kissed my neck. She remembered. I had told her once how I loved when guys licked my neck and ears, and yet they never seemed to take the time to do it. It was all tongue and no teasing.

She took her time. Her kisses weren't sloppy or too wet because she knew exactly what she was doing. I could feel her breasts on top of mine. That felt different too. It was exciting to have our bosoms pressed together. I wanted so badly to feel them without clothing on.

We kissed for a very long time. Then she delicately unbuttoned my shirt as though it were made of glass. She revealed my black lace demi-bra. I could feel the air on my skin with the

exposure. I found myself burning for her to touch them, take one in her mouth...and then she stopped. "Do you really want this?" she asked.

I knew once we crossed the line, there was no turning back. I nodded my head.

"Are you afraid?"

"No. Not afraid. I really do want this," I replied.

She smiled and carefully unhooked my bra. My bare breasts came spilling out. Swollen flesh that was longing for her sex. She moaned.

"God, you have beautiful breasts." Her hands carefully examined them.

I had heard this from men many times, but it never sounded so sexual or honest as the way she said it. Sasha lightly licked and sucked them like expensive candy. Godiva chocolate. My nipples immediately got as erect. I could feel the seeping, warm wetness between my legs.

Then she moved down and licked my stomach. My shorts had an elastic waist, and I wondered if she would just slide them off. It would be so easy.

She did, and with great eagerness and ease. At first, she left my panties on and kissed and licked me through

the material. I heard myself moaning. How could this feel so good? Why was I dripping and about to explode? I couldn't hold out. But I didn't want to come, either. Not yet.

She took her fingers and parted my lips. I was as exposed as I could ever be. Sasha looked and sighed. "You are so beautiful. I want to take it all in. You smell wonderful. I just want to inhale you, like the delicate scent of an ever-so-pale rose." She softly blew on my clitoris, while I felt something trickling from deep inside me. One drop at a time, like Chinese water torture. Oh the ecstasy of sweet pain!

Then she put her mouth on it. She took her tongue and concentrated on the one tiny little hard spot. It was so intense. I wasn't sure if I could stand it. It was a strange mix of undefined pressure and unbearable pleasure. I whined and I took it. Sasha never let up. She was relentless. After a few minutes, I could feel it coming. My legs shook. It was as though every nerve ending was on fire. I was almost twitching.

My orgasm was so intense, I screamed. I had never screamed before with a man. As I exploded, she took in the whole area with her mouth. Her tongue was inside me as my contractions grasped her and wouldn't let go. My heart was racing. I was breathing heavily, and I was crying tears of climactic joy. She got up, my scent on her breath, and kissed me tenderly while she held and stroked my hair. I could taste myself inside her mouth. She whispered in my ear, "I love you, Ami, in a special way. I want this to be special."

I cried even harder. She was crying too. We sobbed, kissed, and held each other like a scene in some hazy, erotic, experimental film I had watched as a college girl with my more-than-chummy sorority sister Leah. But that had been long ago and very fleeting. This was here and now.

After a few moments, our tongues

met again. This time we allowed our sexuality to take over as a wild, animalistic side of me suddenly surfaced. "Let's do something dirty and exciting. Like the characters in the story."

I knew by the way she smiled that she was game. I led her by the hand into my bedroom and stood before her at the foot of the bed.

We stripped down completely naked. Then we sat up on the bed, with our legs spread open wide. The lights were on; everything was revealed.

I stared at her lips spread open wide for me. Her clitoris was erect and ready to be sucked. I could smell her too, and she smelled delightful. It made me even wetter. She stared at my own lips and my clitoris and my wetness. I was drooling down there.

Then we began the chant. It came from out of nowhere, natural, hypnotic, like a ritual we had done many, many times in our dreams. Sasha began, and I followed her lead.

Then we moved together. She slipped two fingers into my deep, dark hole, and I slipped two fingers into hers. We pumped each other, pumped until we were wet, finger-fucked until we were on the verge.

Her head was between my thighs as my head was between hers. I licked and sucked and drank her heavenly juices. I took in her taste and smell and touch with all my senses as she took in mine. Then we both slipped our tongues into each other's love hole, probing and licking while rubbing each other's cunt with two fingers. The thought of sticking my tongue as far down her as I possibly could reach made me hornier than ever. I could feel her rectal muscles contracting.

"Lick me harder," she begged. Her tongue explored my private places, going from my clit to my anus. I was moaning as I enjoyed licking her entire bottom, from back to front. I wanted it all, every inch of her. She spread her beautiful, round cheeks even wider to give

me better access. I stuck a finger inside her ass as I began to eat her cunt like a starving lady tiger. She came ferociously, while her anus grabbed my finger and would not let go. I bucked my own cunt into her face, rubbing my clit on her mouth and nose until I came as hard as she did.

What seemed like hours later, we found ourselves staring at the ceiling, wrapped in each other's naked arms. Beads of sticky sweat clung to our bodies as the aftermath of the ritual set in.

"What was that?" I asked blankly.

"It was an intergalactic union of our cosmic sexual selves, a mass hypnosis, the spontaneous combustion leading to our own definition of speaking in tongues."

You just made that up! It sounded...."

"Absurd, and yet there is no better explanation."

We burst into laughter. The kind of raunchy giggles released after so much carnal knowledge has been fed into one's veins.

And that is my story, and that was the beginning of a very, very special ritual.

Have you ever had one of those days? One where you were so horny that even when you masturbated yourself, that wasn't enough. Then you get out the big dildo, and that wasn't enough. So I had to do something more about it. That's when I called J. After he finished his pick up b-ball game, he came over and we had our own game.

I think it all started early for me. I loved to (and still do) masturbate and run my fingers all over the sexy parts of my body. I'd pinch my nipples hard until they were very sore. Then playing with my pussy felt really good. I learned how to give myself multiple orgasms, and that was and is great. But, now I let guys and gals do that for me, and every one has loved playing the way they do inside my tight, moist pussy.
